i. **Main rule: Don't be a jerk.**

**11. All divisions must play with NO INTENTIONAL CONTACT.**

  - a. Penalty shot will be taken from center ice and must be attempted within 30 seconds of the penalty being called. Anyone on the opposing team can take the shot. The team that is awarded the penalty shot will also be given possession of the puck following the penalty shot attempt (regardless of the outcome of the shot).
13. Any major penalty, **which includes any action that could possibly injure another player**, will result in that player being ejected from the tournament.
14. Abuse of officials will be considered a major penalty. This includes yelling, swearing, or arguing about calls.

A defender may deflect the puck in the crease area, but the defender must do so while continuing to move through the crease area. The crease area is defined as an imaginary box extending out four feet from the outside corners of the goal.
19. Contacting the puck with a stick above the waist will result in a loss of possession.
20. If a puck goes out of bounds, the last team to touch it loses possession. During restart, the defender must give his opponent 2-stick lengths of space.

22. Goals can be scored from any area of the rink.
23. Players may only play on one team per division.
24. All teams must check-in before their first game to ensure waivers are complete.
25. It is the responsibility of the team captain to ensure the correct game score has been logged on the score sheet. By signing the score sheet at the conclusion of the game, your team captain is acknowledging that they agree with the final score. Teams cannot contest scores/results after they have signed the scoresheet.
26. If two or more teams are eligible for the championship at the conclusion of pool play, the top two teams will be determined by head-to-head play, then least goals allowed, followed by score differential.
27. The ice will be resurfaced every three to four games. After each game players shall assist with shoveling the ice to keep the surface clean. Prior to the Zamboni, we would appreciate the players' help in removing goals & padding to help with resurfacing prep.
